

From the President!

We had a GREAT March 15th meeting on **Continuous Auditing and Data Mining using ACL**. Also, we had the highest attendance (40) of any of our 2006 – 2007 meetings. It was a very informative meeting with a lot of participation by everyone. I would like to thank Dana Dugas for the presentation. Also, I would like to thank my fellow panel members: Dana Dugas, Jill Daigle, and Kevin Catalon. This meeting was also our chapter's annual meeting and we elected Chapter Officers for the 2007 – 2008 year. I want to congratulate the 2007-2008 ISACA-Baton Rouge Chapter Officers.

May Presentation: **SANs Security Trends**

Learn about the latest security threat trends and free tools available to assist you in identifying these threats. This presentation combines the SANS security trends analysis and Trace Security's observations gained from hundreds of nationwide security audits performed each year. This presentation will help Information Technology Professionals gain an understanding of the risks that regulated institutions face and supply tips on what you can do to identify and monitor these security threats.

May Speaker: **Dayle Alsbury**

Mr. Alsbury is the Director of Security Services at TraceSecurity, a leading nationwide provider of security compliance and audit software solutions which strengthen the security of information technology networks, provide automated security audits, and ensure compliance with both internal policies and external regulations.

Dayle has over 15 years experience in systems development, network management, systems security, and physical security in a variety of

regulated industries. Dayle is SANS GSEC and ISC2 CISSP certified.

Before joining TraceSecurity, Dayle was the senior network and security administrator at Starmount Life Insurance Company. Prior to Starmount, Dayle was the technology supervisor of the service division of United Companies Financial Corporation

Dayle is a sought after industry expert. He has been featured in Time Magazine and has been an industry contributor with SANS and Radio America's Home and Family Finance Show.

Dayle holds a bachelor's degree in business management and an MBA in financial information systems from Southeastern Louisiana University.

*****Good News!*****

Congratulations to our incoming Vice President for the 2007-2008 Year, Dana Dugas. She received a promotion to Senior Information Systems Auditor at Amedisys Home Health Services!

In December 2006, Stacy Manning received her undergraduate degree in ISDS from LSU and began working full-time as an Internal Auditor for the Louisiana Lottery Corporation. Congratulations Stacy!
