

THE HONOR OF YOUR
PRESENCE IS REQUESTED

ISACA's World Congress
INSIGHTS 2012

24 – 27 JUNE 2012
PALACE HOTEL,
SAN FRANCISCO, CA USA

BE PREPARED TO BE INSPIRED!

You are cordially invited to **Insights 2012: An exclusive event designed for progressive IT and business leaders, giving you the insights needed to develop strategies for effective integration of business and technology.**

- **Not your typical conference:** engage in lively conversations that address current and emerging business and technology issues
- **Built by your peers:** learn about topics and issues that have been carefully vetted by a panel of experts focused on providing business perspectives, strategies and solutions
- **Prepare to be inspired:** interact with industry experts who will stimulate your thought process and imagination while motivating you to succeed
- **Limited seating:** collaborate with others in an intimate environment that includes interviews, forums and panel discussions

To RSVP, view program information or to see what the industry thought leaders are saying about Insights go to:
